PASSIONE, ESPERIENZA E INNOVAZIONE AL SERVIZIO DEL MADE IN ITALY

*MADE IN ITALY:
PASSION, EXPERIENCE
AND INNOVATION*

La Savini S.r.l., dai primi anni '80, ha l'obiettivo di fornire la qualità e l'eccellenza del Made in Italy producendo arredamento per il bagno e per la casa. Nell'opificio di proprietà di 18.000mq, situato in Abruzzo, ogni semilavorato viene prodotto nei reparti interni di falegnameria e verniciatura, mentre le persone dell'assemblaggio e della logistica hanno cura di realizzare e consegnare gli articoli finiti. Nella Savini si respira l'innovazione del design unita all'esperienza di una storica azienda italiana.

The Savini S.r.l. Company, since the beginning of the 80's, aims of providing the quality and excellence of Made in Italy by producing bathroom and home furnishings. In the company's 18,000 sqm factory in Abruzzo, in Italy, all semi-finished products are processed in the internal carpentry and painting departments, while assembly and logistics staff take care of the finalization and delivery of its products. At Savini S.r.l., you can breathe the innovation of design combined with the experience of an historical Italian company.

LE PERSONE: IL CUORE DELLA SAVINI

Il cuore della Savini sono le persone che la compongono, che la vivono e che vi lavorano: un team fatto di uomini e donne del territorio, di persone diverse, unite dall'etica del lavoro e del saper fare. Insieme queste persone danno vita a prodotti contemporanei e di qualità mettendo al primo posto la soddisfazione del cliente. L'attenzione alle persone che vivono e sono la Savini fa sì che l'azienda si impegni costantemente sul campo della sicurezza e salute dei lavoratori e delle lavoratrici, uno dei pilastri della strategia aziendale. Parte di questo cuore è infine rivolto ai clienti: una grandissima attenzione e cura è dedicata alla loro soddisfazione, alla realizzazione e sviluppo dei loro sogni e alla risoluzione rapida ed efficace delle loro richieste. La certificazione ISO 9001:2015 per l'ottimizzazione dei processi aziendali garantisce l'impegno della Savini S.r.l. alla customer satisfaction.

PEOPLE: THE "HEART" OF SAVINI

The "heart" of Savini S.r.l. are the people, who make it up, who live it and work there: a team of men and women from the surroundings, a team of different people united by the ethics of working and know how. Together these people give birth to modern and quality products, putting customer satisfaction at first place. The company is constantly committed to the health and safety of its workers, in fact the pillars of the company's strategy is the caring of people who live and work in Savini. Finally, customers are part of this "heart": a great focus is dedicated to their satisfaction and to the realization of their dreams, as close to their requests as possible. The ISO 9001:2015 certification for the optimization of business processes guarantees Savini's commitment to customer satisfaction.

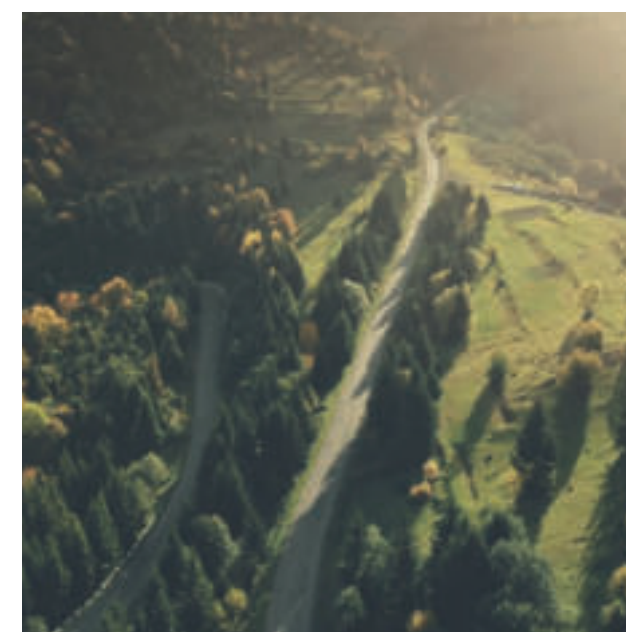

100% MADE IN ITALY

Alla Savini S.r.l. il Made in Italy trova la sua piena espressione. Gli arredi e i prodotti sono interamente ideati e costruiti in Italia: è nella sede a Castilenti che le idee nascono, trovano concretezza e lasciano la "propria casa" per raggiungere quella dei clienti. La collezione di oltre mille prodotti e varianti sono il frutto di una ricerca attenta per creare arredi di qualità, funzionali e versatili combinando persone, competenze e tecnologie.

100% MADE IN ITALY

At Savini, the Made in Italy finds full expression. The furnishings and products are entirely designed and manufactured in Italy: the ideas born at the headquarters in Castilenti, then they become products and finally they leave the factory to reach customer homes. Over a thousand products and variations are the result of careful research of quality, functional and versatile furniture by combining people, skills and technologies.

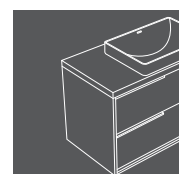

IL RISPETTO PER IL PIANETA

La Savini S.r.l. opera in modo consapevole, responsabile, sostenibile ed etico. Questa attenzione si attua nei confronti della collettività, dei dipendenti e delle dipendenti nel rispetto dei loro diritti e della loro soddisfazione lavorativa e, infine, nei confronti dell'ambiente. La protezione dell'ambiente, la prevenzione dell'inquinamento, la riduzione del consumo di energia e risorse sottolineano l'attenzione della Savini S.r.l. alle problematiche ambientali, certificate anche dall'ISO 14001:2015. L'azienda sta adottando in maniera crescente l'utilizzo di pannelli in legno riciclato e continua a progettare prodotti sempre più sostenibili e durevoli.

RESPECT FOR THE PLANET

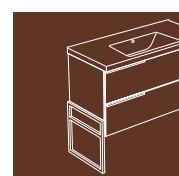

Savini operates in a conscious, responsible, sustainable and ethical way. The company focus is caring of the community, the employees respecting their rights and the planet's health. The planet protection, the pollution prevention, the reduction of the consumption of energy and resources underline the attention of Savini to ecological matters, as the ISO 14001:2015 certifies. The company is quickly adopting the use of recycled wood panels giving a nod to sustainable design and durable products.
